

World Hepatitis Day Event
Know your status. GET TESTED.

Thompson City Centre Mall

Thompson, MB

Friday – July 28

11 – 2 pm

Together, the Northern Health Region STBBI Program and Safer Choices Northern Network (Harm Reduction Network) is hosting a Viral Hepatitis Awareness day at the City Centre Mall in Thompson, MB.

Nurses, community members and youth will come together and provide outreach to the community, offering educational resources, self-care packages; on site HIV/Hep B and C testing, snacks and conversation.
